---

[11:00] <bigmac> will be making various non-meat burgers for members and visitors

[11:01] <oberoid> <smash>-<hack>-<smash>. Reduntant electronic upcy-clism - hotter than glue

[11:03] <bigmac> be working on the Arduino-based experimental incubator

[11:03] <oberoid> Pi-diodrome. "Max, the little yellow socket is talking to you."

[11:04] <bigmac> will bring 4 3D-pens and some filament - and maybe a daughter to assist kids playing.
