

Nomination Form for the Technical Working Group

The Greenhouse Gas Protocol is issuing this call for *Expression of Interest* for experts from business, NGOs, academia, civil society, governments, and others worldwide to participate in the GHG Protocol's Technical Working Groups to update the suite of GHG Protocol's corporate standards and guidance.

For more information on the standards update process, please click on the following link: <https://rb.gy/fo28s8>.

Please use this form to indicate your interest in being included in the following groups:

- **Technical Working Group:** Responsibilities for TWG members can be found via this link: <https://ghgprotocol.org/nominations-governance-bodies>.
- **Review Group:** Review Group members have the opportunity to review and provide feedback on the draft standard/guidance. Comments from the Review Group will be incorporated at the discretion of the Technical Working Groups, ISB members and the Secretariat.
- **GHG Protocol email subscriber list:** Email subscribers receive periodic email updates.

You may select one or more options.

	Not applicable 0	1	2	Very interested 3
Corporate Standard	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Scope 2	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Scope 3	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Mitigation impacts/ market-based mechanisms	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

15. Please list any specific GHG Protocol accounting topic areas which are of most interest to you or you have the most expertise in? *

I am interested in ICT, telco & ISP emissions reduction.

16. Please list any other external advisory group or governance bodies or other key initiatives you are a member of or affiliated with, which might be relevant to the work you are expressing interest in.

Please note Microsoft Forms limits text responses to 4,000 characters.

I am a Senior Community Builder at RIPE NCC (Regional Internet Registry); I am member of several IETF Working Groups, and part of multiple advisory committees related to environmental sustainability in tech.

17. Please share your expertise and qualifications for participating in the Technical Working Group.

Please note Microsoft Forms limits text responses to 4,000 characters.

I have studied Electrical Engineering / Computer Science in Belgrade, Yugoslavia (1992-1998); since then, I have been working as a Technical Trainer at RIPE NCC, and as a Measurements Community Builder. My bio: <https://labs.ripe.net/author/hecha/>

18. Please share your interest and motivations for participating in the Technical Working Group.

Please note Microsoft Forms limits text responses to 4,000 characters.

I am interested in topics of Environmental Sustainability & Climate Justice in Tech / ICT. I have been publishing articles, contributed to publications & given talks about it since 2012: https://wiki.techinc.nl/Sustainability#Vesnas_Links

Request for CV

I acknowledge and consent that the application will follow the terms and conditions stated in the privacy policy and my CV may be shared with members of the GHG Protocol governance bodies to aid in selecting TWG members and will not be used for any other purpose or shared with anyone else.

Please click on the link to upload one file of your CV: <https://rb.gy/mop2ym>.

Thank you for your interest in GHG Protocol and for taking the time to complete the form.

For those applying to participate in the Technical Working Groups, the GHG Protocol Secretariat will review all responses in consultation with the Independent Standards Board and you will be

contacted about the outcome in Q1 2024.
